Hi there

I really wanted to test the process – and log in / sign up as a new client and follow the process, but I cant see how / where I do that?

I have gone into the back end and looked at your form ad have comments as follows

Personal details

Only one phone number is required

Also – if they say postal address same as residential – then can we hide the

Can we put TFN and DOB on the same line?

Aussie Resident

Should be “**were** you an ...” If you answer yes to this, then the next two questions are irrelevant, and should not come up at all.

Only if you answer NO

Can we rather have a drop down dox that you chose “became a resident” or “ceased to be resident” and a date block
